Dear Class of 2012,

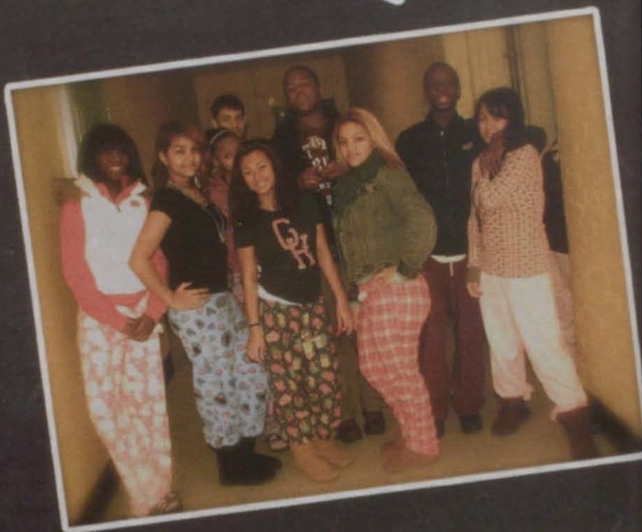

CONGRATULATIONS on your acceptance to Bloomfield Tech Vocational School. We are looking forward to working with you for the next four years. We hope that you enjoy your journey into becoming successful students....

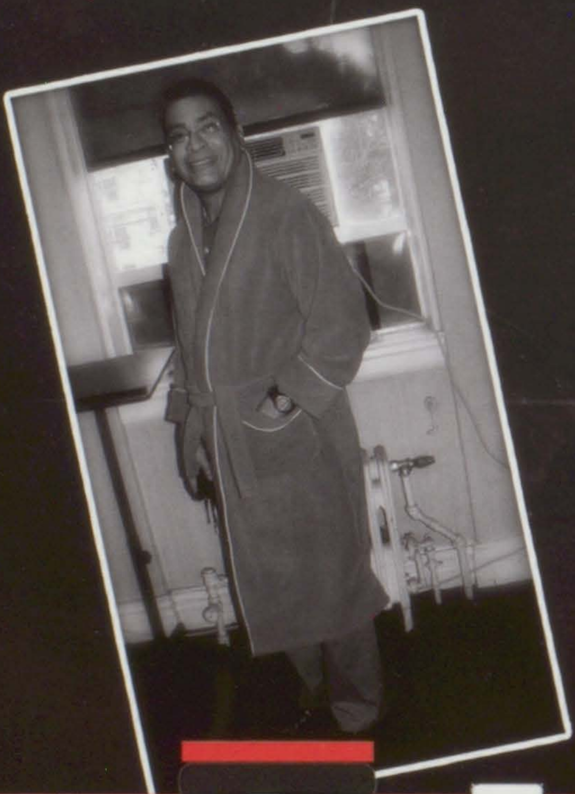

What you've done becomes the judge of what you're going to do - especially in other people's minds. When you're traveling, you are what you are right there and then. People don't have your past to hold against you. No yesterdays on the road."
